Alumni Association

# About

The Able Trust, also known as the Florida Endowment Foundation for Vocational Rehabilitation, is a 501(c)(3) foundation established by the Florida Legislature in 1990. Its mission is to be a key leader in providing Floridians with disabilities opportunities for successful employment.

Since its establishment, The Able Trust has worked with community organizations throughout the state to help thousands of Floridians with disabilities enter the workforce. The Able Trust programs provide career development and transition to many job seekers with disabilities annually, helping to create a diverse and inclusive workforce for Florida's businesses.

The Able Trust Alumni Association was established by The Able Trust in 2015. It is designed to maintain connections between program participants and The Able Trust. Members of the Alumni Association actively support the mission of The Able Trust.
