

FLORIDA High School HighTech

Promoting Technology-Related Careers for Students with Disabilities

High School High Tech (HSHT) assists students with disabilities in making better, more informed decisions about their careers, and their future. HSHT is structured according to the nationally recognized, evidence-based Guideposts for Success: School-Based Preparatory Experiences, Career Preparation & Work-Based Learning, Youth Development & Leadership, Communication Skills, Connecting Activities, and Family Involvement & Support.

Florida HSHT activities include:

- **Corporate Site Visits** to in-demand & growing businesses & industries;
- **Mentoring** from professionals serving as career advisors to students;
- **Job Shadowing** in which students spend time observing professionals at work;
- **College & Campus Tours** inform students about post-secondary educational opportunities; and
- **Career Experiences**, including internships, paid employment, volunteerAbilityComms123!! experience, and career certifications.
